Testimonials

The early eighties were difficult as the country was in a mini depression.

Politicians were quoting, *'this was the depression we had to have'* and, *'life was not meant to be easy'*.

Australia had won the America's Club, Charlie and Di walked down the aisle, and the Mannum footy had not won a premiership since 1956.

Drought had taken a grip on country communities around the state and Mannum relying on agriculture, was not exempt.

The new Mannum football club rooms were in its first years and the club had invested heavily in imported players with reasonable success to date.

The one thing that was obviously missing was the netball. Families were divided between the two sports and the majority believed the Roos footy would not be successful without a netball club.

I had shifted from a west coast town ten years before where Saturday's consisted of the whole town going to the football, and the netball was just as important as the football. Our mothers, sisters, daughters, nieces and grandmothers were all involved. The boys playing footy were really only as good as the girls support.

I had fond memories of watching my mother playing netball while sitting in the car after playing colts with my team mates still in our football boots, and even on many occasions watched the A grade footy team before a match standing around the fences supporting the netball. Of course the boys were interested in the game and the score board?!

The Mannum township at that time had a high turnover of 'floaters', consisting of police, bankies, teachers, government employees, Horwood Bagshaw staff, ETSA and nurses. Most had shifted from country towns where the netball was affiliated with the football.

At the time I was playing football and also on the committee frustrated with an injury prone year sitting on the fence with plenty of time to have an opinion about what was missing on Saturdays. This led to a delegation consisting of Debra Burke (née Cook) Sue Warnest, (née Donegan) and Annette Wakefield (née Maxwell) fronting up and suggesting it would be good to have a football club committee member as the inaugural President of the Roos Netball Club.

The rest is history, many meetings with the association, fundraising, and just hard work to get the first game underway. Debra had put her life on hold being single and working at the local solicitors office, she was the obvious choice to be the Secretary.

Football committee meetings were interesting at the start as there were a few firsts; having a male football player/committee member as the President of the netball club, and the possibility of a female attending a football club committee meeting.

One elderly committee member of the footy club was quoted as saying with a stutter *'What the hell is the world coming to?!'* Dean Reschke was the football club President at the time and always made time for any requests from the netball club even if it was given with a smile on his face.

Most of the banter was just in fun and I remember rolling up to footy training where someone had hung a netball uniform on my hook. I also copped the nick name 'Mr Netball' from Grant Bock.

We were very successful in the first years with premierships, which was a reflection on the time and effort of the inaugural committee, along with of course players and supporters.

Having attended several games in recent times with my daughters participating along with long time players, I still have a feeling of great pride and fond memories, both serious and funny of those early days.

The club has developed into a huge entity - one to be reckoned with, and has helped to mould the modern day football club culture.

Mr Chris Pfitzner
Inaugural Mannum Roos Netball Club President

In 1982, Australia experienced the worst drought of the twentieth century. There was no rain for more than one year and 60% of Australian sheep and cattle died. Amidst this devastation, that same year the Mannum community soldiered on and built the foundations of a proud sporting club. Today we know this as the Mannum Roos Netball Club.

During its thirty years existence, the club has experienced premiership success 17 times, with the majority of these wins taking place in the past 10 years.

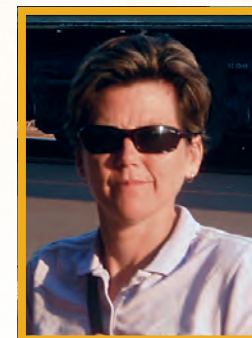

The Mannum Roos Netball Club is not to be confused with the Mannum Netball Club, which always played at the Christian Reserve courts in Murray Bridge. The Mannum Netball Club folded and the Roos Netball Club experienced an influx of players into the junior teams.

There have been many significant player milestones, but none more outstanding than both Katrina 'Binga' Reschke playing 300 senior games for the Club this year, along with Kellie Klose playing a combined 300 junior and senior games.

Whilst the courts have been resurfaced a number of times during their life, in 2011 acrylic pave paint is known as 'Plexipave' was laid. This is the latest in hard court sport surface technology. The courts are expected to remain in their current condition for at least the next 10 years and it will be around 20 years before any further top coats are required. Significant fundraising and combined effort with the tennis club took place to ensure this longevity for the community courts will benefit the future of the club.

"Well hello Mannum Netball Club, I am very proud to be your patron and the heart felt feeling I get in watching this all unfold is unbelievable. A special thank you to all players, coaches, umpires, officials, coimtee members, volunteer workers, parents and carers and all the other people who go to making this the successful Club it is. Keep up the great work and here's to another fantastic 30 years. Go you Mannum Roo Girls!!"

Val Dixon
Club Patron

After moving into the area, I joined the club in 2001 and have thoroughly enjoyed my time with the Mannum Roos Netball Club, making many long lasting friendships. At the time I was an expectant mother and was very quickly a coach and committee member. Unfortunately my best playing days were over but I did enjoy playing in between children and before succumbing to injury.

Over the years I have coached A grade, A Reserves, U17's and this year U11's. It is very rewarding as a coach to watch players develop their netball skills and to make them automatic. Over the years, many junior players have gone on to play seniors with some working their way up to playing A grade – which is always great to see. I look forward to seeing some of my current U11's up there in the future!!!

2003 was a fantastic year – Birth of my second son and winning the A grade Premiership (first flag in 21 years). The next week the A grade Footballers won the flag (first in 47 years) and the town of Mannum was really buzzing with these dual wins. To top it all off we were the inaugural winners of the Murray Valley Standard / Fischer Motors Outstanding Team Performance. The A grade premiership was definitely a huge highlight as a coach – to see all your players gel on the day and never give up, considering we were five goals down going into the last quarter and won by four!!! The team was outstanding and it is great to see three of those players still in the A grade team today. A great lesson for us all is to dig deep and never give up!

I have plenty of fond memories from being involved with the Mannum Roos Netball Club, and I look forward to seeing how the club progresses in the future.

300 Senior Games!

Congratulations Katrina ‘Binga’ Reschke who played her 300th senior match for the Mannum Roos 14 July 2012 when she took to the courts competing at the highest level in the A grade match against Ramblers. Binga only started playing the game of netball later in life when she was 21 years old, and has only ever played for the Mannum Roos Netball Club. It is the first time in the 30 year history of the Club that anyone has reached this milestone. Binga’s career highlights include coaching back to back premierships in the junior grades and playing in the 2003 A Grade premiership team.

1982

A meeting was held at the Mannum Football Clubrooms on the 2 February 1982. Chris Pfitzner, acting chairman opened the meeting at 8:15pm and welcomed all present. Debbie Cook moved at the meeting: That a club be formed and that the club will be known as the “Roos Netball Club” with the recommendation to be associated with the River Murray Netball League.

** The motion was seconded by Barb Grund and carried without amendment.*

Played the first two games and then forfeited the third game.

The RMNA then told the Roos Netball Club that if they could not fill an A Grade side that they could not have any senior sides.

We could not fill the A Grade side so we had no senior teams.

B Grade

We did have a B Grade side but unfortunately due to not being able to fill an A Grade side

we were not able to have any senior teams.

Coaching Delight

Article appeared in The Murray Valley Standard
15/07/2008

By Hannah Lucas

Juggling four children, a dairy farm, being a volunteer ambulance officer and a volunteer training coordinator - it is amazing that Robyn Vivian can find a way to fit in a coaching scholarship.

The Mannum Netball Club coach is among 23 people across South Australia to receive a \$1000 coaching scholarship from the State Government's Office for Recreation and Sport.

"I hope to be able to train and learn as much as possible to bring back to the junior country players," Vivian said.

Vivian's love for coaching began in 1990 when she coached, played and umpired indoor netball at the Woodlands Action Centre, in Adelaide.

She then moved to Mannum in 1997 and became involved with the Mannum Roos Netball Club, joining the committee.

Vivian completed her Level 0 coaching course and not long after finished her Certificate IV Assessment and Workshop Training.

"I think this (certificate) was essential for me to do, to be able to set a good structure to trainings and able to assess girls on an ongoing basis," she said. "I believe this qualification is an asset to anyone who coaches."

In 2005-06 Vivian assisted a variety of coaches at Mannum.

She has also co-coached a team of under 15 girls in Murray Bridge.

In 2007 Vivian was coach of the under 11 Mannum side, making the grand final after finishing fourth on the ladder.

In the same year she began umpiring again at both junior and senior level.

She also completed the 'Play By The Rules' and 'Beginning Coaching General Principles' online courses.

Vivian is currently coaching Mannum's Under 13 Div 1 team.

"I also hope to be able to deliver training sessions and workshops for the appropriate organisations in country areas to help develop and enhance the skills of other people, that don't necessarily have the time to be able to travel to a city location," she said.

This year her goal is to obtain her Level 1 coaching accreditation.

Vivian said she believed in learning something new every day.

"There is nothing more satisfying or gratifying than being able to learn and then bring back that knowledge and pass it on to other people, especially the kids," Vivian said.

Pink Day event organiser Kelly Kuhn, from Manum, said there was a good mix around the courts with people rallying together to show their support.

"It was brilliant to see the effort both teams went to wearing a splash of pink on the day and bringing their lease change to assist in fundraising," she said.

A pink nethall was signed by the A grade nethallers and auctioned at the club that night - the lucky buyer was the Rose A grade football coach, Shane Yeates, who was bidding against his captain, Michael O'Malley.
